## Search online courses

Enter the online course page, then enter the search page, select the lesson and language, and all available courses within the specified date will be displayed.

## Book online courses

The screenshot shows the course booking interface. At the top, there is a search bar with a magnifying glass icon and a dropdown menu set to 'Any'. Below this are filters for 'Year', 'Month', 'Day', and 'Hour', with values '2020', '4', '14', and an empty field respectively. A red 'Search Trainer' button is positioned below the filters. The main area displays a list of courses. The first course is '04-14 19:00~20:00' for 7200 coins, and the second is '04-14 20:00~21:00' for 8400 coins. A red arrow points from the second course to a detailed trainer profile. The profile for '王老师' (Mr. Wang) shows a male teacher with a 4.667 star rating and 20 reviews. His bio states he has been teaching Chinese for over ten years. He is proficient in Japanese and has daily communication skills in English. A list of reviews is provided at the bottom, with the most recent one from 2020-02-23 stating '很好' (Very good).

## Start online courses

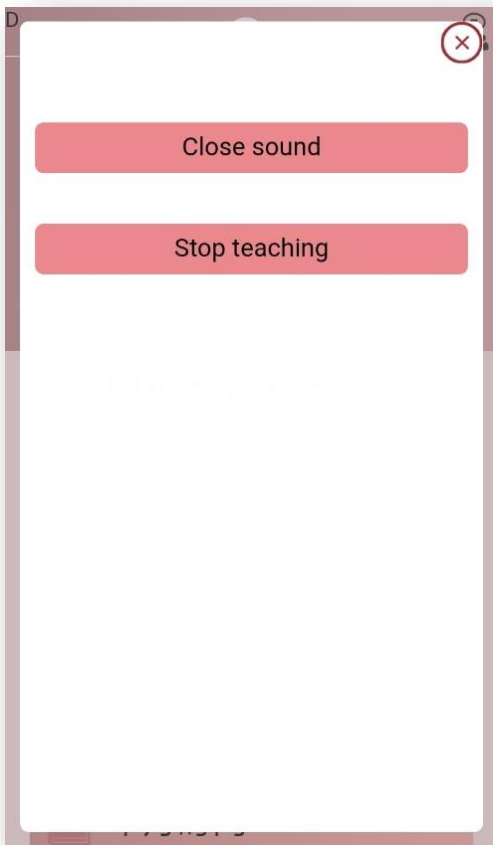

When you make an appointment and the trainer agrees to accept it, you will receive an email notification. 5 minutes before the scheduled teaching time, the system will send an email to inform both parties that the class is about to start. At this time, enter the online course interface, you can see the start button, click and wait for both parties to go online.

After both parties are online, remote training begins. At this time, your app will be controlled by the trainer, and the play buttons will become a dialogue button. After clicking, you can have a text chat, and the setting button on the home page will become the button to quit remote training.

## Finish online courses

Use this app, you can hear the voice of both sides during training. No third-party software is needed. However, if the voice quality is poor due to the influence of the network environment, you can turn off the voice and the third party voice chat soft as an assistant.

At the end of the course, both parties shall make evaluation for each other. Only after the evaluation of students the class fee be transferred to the trainer's account.
